（1）托福口语模板建筑和地方

In this wide world, there are thousands of amazing architectures. As for myself, my favorite is undoubtedly the Great Wall. Why? That's simple. The following reasons will sufficiently illustrate what I say.

First and foremost, the most self-evident reason why I like the Great Wall so much is basically because it symbolizes our Chinese's great intelligence and hard-work. It's hard to imagine at that time people can build such huge architecture. Even in modern times, it seems a mission impossible. What's more, it in some way improves the economic development of China because it attracts thousands of tourists around the world. Meanwhile, it also helps more foreigners to learn about the traditional Chinese culture. Anyway, I love Great Wall.

（2）动物

Who is the best friend to our human beings? With no further doubts, dogs. For me, dogs are always my friend and company.

The reasons why I am so fascinated with dogs can be best summarized as the followings. As for the very first reason, it is apparently because dog is the most loyal and helpful animal in the world. There are many stories about the dog saving his master in all countries. What's more, dogs are docile and lovely. It is said that dogs are used to watch doors since the ancient time. And no matter old or young, people all love to keep dogs as their ideal pets. Nowadays when our friends are becoming less and less, dog can make your best company. You can imagine what a happy picture it is that a dog shakes its tail and barks to you when you open the door. Anyway, I am so proud to say that I am a dog lover.

（3）学科/比赛/兴趣爱好/休闲方式

Although there are many kinds of subjects, my priority is PE lesson.

The reasons why I am so fascinated with PE lesson can be best summarized as the followings. It is quite convincing to say that the most significant reason consists in the fact that it can keep you as fit as a fiddle. From my own perspective, I think health is the most important aspect to our life. By doing some exercises in PE lesson, we can not only relax from our heavy study pressure, but also we can have a perfect figure. What's more, when we are talking about PE lessons, it is impossible not to mention the spirit of "persistence" which we can learn from the games in PE lesson. You know, when we are playing football, everyone tries their best. The truth is that as long as we persist, we will finally win the game no matter how tough it is.

(4) 歌曲或音乐

Have you ever given any thought to what is your favorite song? I sure did. People's answer might differ greatly from one or another. Mine, however, is hero. I'd like to recommend this song to everyone.

At the very beginning, I'd like to mention the most curious reason why I am so attracted by this song. You know, it tells us a story about confidence and courage. Whenever I am down, I always listen to this song and it will immediately cheer me up. What's more, I love this kind of music style. I prefer some songs with slow and emotional rhythms because when I am listening, I can think and appreciate the real meaning of the song. Personally, I can't bear those rock and roll songs. I think they are too noisy. Therefore I will recommend this song to everyone.

(5) 职业和梦想

Have you ever given any thought to your dream? I sure did. People's answer might differ greatly from one or another. Mine, however, is to become a business man/ woman.

The reasons why I dream of becoming a business man/ woman can be best summarized as the followings. (女版) In the modern world, women are no longer the subordinates of men. We have our own rights and can achieve our goals as men do.

(男版) You know, my father, a great man who I admire so much, is a very successful business man and sets an excellent example for me since I was a child. So I strongly believe that I have the ability to become a successful business woman/ man. But before I realize my dream, I must make full preparations. Now I am planning to study overseas. I think it's the first step to this dream. After my graduation, I will pursue my career in some international companies to gain more experiences. When I think my preparation is done, I will try to set up my own company. I strongly believe that with my ambition, confidence and diligence I will finally realize this dream.

(7) 最伟大的发明和最喜欢的东西

Have you ever given any thought to what is the greatest invention in the past one hundred years? I sure did. People's answer might differ greatly from one or another. Mine, however, is undoubtedly internet.

The following reasons will sufficiently illustrate what I say. First and foremost, the most self-evident reason why internet is the greatest invention in the past one hundred years is basically because it does bring us a lot of convenience. For example, in the old time, people sent letters to each other by post office and it always took a long time. But through the internet we can send E-mails. It's much faster and more convenient. We can even chat through the net. Apparently, compared with telephone, it is much cheaper. Besides the reason stated above, another one is of equal importance. We can do shopping and even do business on the internet. Through the internet, we can buy the most fashionable clothes without leaving our house and earn good money with the least cost.

(8) 节日/最喜欢或难忘的日子或时刻

If anyone asks me what my favorite festival in my country is? With no further doubts, the Spring Festival Day.

The reasons for my preference of this festival can be best summarized as the followings. As for the very first reason, it is apparently because it is the symbol of Chinese culture and you can experience the authentic traditional Chinese culture and happy atmosphere on this day. What's more, it is also the day of reunion in China. So

whenever this day comes, people get together with their family no matter where they are. On this day, children are probably the happiest creatures in the world because can get gifts from their parents and relatives. In order to celebrate this special moment of the year, people will leave their house and visit their relatives and exchange their best regards on the following days.

(9) 最喜欢的餐馆或咖啡馆

People are usually bewildered by dozens of cafes/ restaurants. As far as I am concerned, I prefer those cafes/ restaurants with the following features.

Firstly, the place must be very bright and full of light because in this kind of environment, I can read and relax in a good way. Also, the place should not be too noisy, but I can have some soft music. If the music is too loud, it will interrupt my reading. Only with some soft music, I can feel quite peaceful in my heart.

译文：人们通常会对各种各样的咖啡馆/餐馆神往。对于我来说，我喜欢具有一下特点的咖啡馆/餐馆。

首先，这个地方必须非常的明亮，到处都有光亮，因为在这样的环境下我才能很好地放松。同时，这个地方最好不要太吵，但是我可以接受的是有一些轻音乐。如果音乐声音太大，将会打扰我看书。只有伴随着轻音乐我才可以感受到内心的平静。

(10)最喜欢的交通工具

In my country, we have different kinds of transport means. But the most efficient one is absolutely subway. The first reason is convenience. For example, if your home is far from your work place or school, subway will save you a lot of time because taking buses or taxis always meets traffic jam. Moreover, subway is also famous for being a cheap transportation form. With subway, you don't have to buy cars and take taxis. In this way, you can save a lot of money.

(11) 最喜欢的戏剧或文学作品

My favorite play is Shakespeare's greatest Romeo and Juliet. It is a love tragedy. In this play, it reveals the greatest love between the heroes and makes me understand the real meaning of love. What's more, I also learn from the drama that whatever I do, confidence is undoubtedly the most important thing. If you have confidence, you can conquer everything. At last, I am also impressed with the power of language of Shakespeare. I actually feel the beauty of English.

(12) 托福口语模板自己国家的一个社会活动或政治活动

National Holiday celebration is one of the greatest political celebrations in my country. In this celebration, thousands of people will gather in the heart of our country- our capital. On this very day, the president of our country will appear in public and make an encouraging speech. The most advanced military equipment will also be shown on this day. Besides this, ordinary people will hold banquets to celebrate this occasion.
